ANNUAL REPORT

OF THE

ELECTION DEPARTMENT

FOR THE YEAR 1917.

BOSTON, February 6, 1918.

HON. ANDREW J. PETERS,

Mayor of the City of Boston:

SIR,— In compliance with section 24 of chapter 3 of the Revised Ordinances, the Board of Election Commissioners respectfully submits its annual report.

NUMBER OF VOTERS.

At the city election held December 19, 1916, the number of male voters on the list was 118,110. The number of such voters on the first list published by the Board August 1, 1917, was 103,942. From that time to the close of registration for the city election there were added the names of 12,866 male voters. The number of male voters on the final list sent to the polls on the day of the city election held December 18, 1917, was 116,808, a decrease of 1,302 from the number on the list at the preceding city election.

There were 10,946 female voters registered for the city election December 19, 1916. There were 21,518 female voters registered for the city election held December 18, 1917, an increase of 10,572 over the number on the list at the preceding city election.

The very large registration of both men and women immediately prior to the city election was in a great measure due to the additional opportunities provided by the Board of Election Commissioners, consequent upon numerous verbal requests and written petitions of citizens. Accordingly there was registration at the central office, City Hall Annex, for ten extra evenings, 5 p. m. to 10 p. m., and also for five additional afternoons, 3 p. m. to 6 p. m., on the days of outside registration, in each of the twenty-six wards of the city, just prior to the closing time for said city election.

Constitutional Convention Primary and Election.

Under the provisions of chapter 98 of the General Acts of 1916, entitled "An Act to Ascertain and Carry Out the Will of the People Relative to the Calling and Holding of a Constitutional Convention," it became necessary to hold a non-partisan primary in each precinct of the city on April 3, 1917, by reason of there having been nominated by nomination papers in excess of three times the number of delegates-at-large as there were to be elected, to wit, fifty-two. Of this number twice the number to be elected, or thirty-two, were chosen for the nomination on the day of the primary by the electorate. In some of the Congressional districts, and in many of the representative districts, it was not necessary for the electorate to nominate delegates at this primary because the number of such district delegates nominated by nomination papers did not equal or exceed three times the number to be elected.

At the Constitutional Convention Primary on April 3 and the election of May 1 the voting list containing the names of those entitled to vote at the election functions during the year 1916 was used, such names having been added thereto as were registered after the city election up to the close of registration prior to said primary and election.

Police Listing.

By the enactment of chapter 29 of the General Acts of 1917, entitled "An Act Relative to the Listing of Voters in the City of Boston," the Listing Board was re-established and its duties in general restored. The most important change in this law is that part of this

act which relates to supplementary listing of those male persons twenty years of age or upward who for some reason or other are not listed by the Listing Board during the first seven week days of April. Under its provisions it became incumbent upon the Election Commissioners to supplementary list and register all such applicants and to transmit a copy of their listing to the Police Commissioner for verification. In all cases where it was found that the statements made by each applicant were true their names were subsequently placed upon the voting list; otherwise the Election Commissioners notified the applicants to appear before them for hearing. Up to the close of listing the thirtieth day preceding the city election there were 146 hearings given to applicants where the reports received back from the police showed inconsistencies with the statements made by them at the time of listing by this Board, and of this number 91 applicants were refused registration. This method of procedure has proven to be far more satisfactory than that formerly pursued, where applicants for supplementary listing were obliged first to appear before the Listing Board for listing and subsequently, after investigation, appear before this Board for registration.

MILITARY ENROLMENT.

The Election Commissioners were appointed by the Governor to act as a Board of Military Enrolment for the City of Boston for the purpose of registering all men between the ages of 21 to 31 years, inclusive, liable for military service, under the Conscription Act passed by Congress, who on June 5, 1917, were legal residents of this city.

All preparations for the conduct of the enrolment, including the obtaining of the voluntary services of 1,675 registrars, 100 of whom assisted as interpreters, the use of 9 private buildings, 81 voting booths and 137 public buildings in which to carry on the registration work, were completed on the 4th day of June. The use of the private buildings was given gratis by their owners, the janitors in all the public buildings willingly volunteered their services, and likewise over fifty automobile owners furnished their time and machines in order to assist the Board in this work.

The valuable coöperation of the Police and other city departments, together with the admirable spirit of

patriotism manifested by the registrars, interpreters, automobile owners, janitors of public and private buildings, and all concerned, as evidenced by their prompt and splendid answer to our call for volunteers, made it possible for the Board to register on military enrolment day approximately 76,918 young men, thus bringing its plans to a most successful conclusion.

New Legislation.

Chapter 82 of the General Acts of 1917 abolished the requirement of the jurat on state nomination papers. As the Legislature made no specific reference to that part of our city charter which requires a jurat on all city nomination papers, the foregoing chapter could not be construed as having any bearing upon the abolition of the jurat from such papers. We therefore recommend that the Legislature enact a law which will abrogate that part of section 53 of chapter 486 of the Acts of 1909 relative to one of the signers of each nomination paper making oath to the truth of the statements therein, as it is our opinion that such a requirement is a surplusage and serves no good purpose in determining the validity or invalidity of the nomination paper.

As there appears to be no sound reason why as much time should not be allowed for the filing of recount petitions after primaries as is allowed after elections in this city, we recommend that section 99 of chapter 835 of the Acts of 1913 be amended so that petitions for recounts after primaries shall be filed before five o'clock in the afternoon of the third day thereafter, instead of before five o'clock in the afternoon of the second day, thereby making the time for filing such primary petitions in conformity with that of elections.

Revision of the Voting List.

The names of 1,126 voters were stricken from the voting list by reason of death, removal from the city and other causes. There were two complaints of illegal registration, both of which, after hearing, were dismissed.

Polling Places.

Of the 223 polling places in the city, 121 are located in schoolhouses, 16 in public buildings, 10 in hired rooms, 67 in voting booths located on lots of land and 9 in voting booths which we locate on the public highways. Since the year 1915, when the new division of

the city into wards and precincts went into effect, the number of booths located on the highways has been reduced from 53 to 9 in 1917.

JURORS.

The jury list prepared by the Board in 1917 contained the names of 9,538 voters of Boston. During the time covered by this report 2,303 persons were drawn for jury service.

MEMBERSHIP OF THE BOARD.

The membership of our Board was materially affected in the spring of 1917 by the death of two commissioners within four weeks of each other.

The vacancy caused by the death on April 6, 1917, of Hon. John B. Martin, Commissioner from May 1, 1912, to the time of his decease, with the exception of a year and one half, was filled by the appointment of Mr. Edward P. Murphy as his successor for the unexpired term ending March 31, 1920, and was approved by the Civil Service Commission. He assumed the duties of his office on May 11, 1917.

The vacancy caused by the death on May 6, 1917, of John M. Minton, Esq., chairman of the Board since the year 1902, was filled by the appointment of Mr. John J. Toomey as his successor for the unexpired term ending March 31, 1918, and was approved by the Civil Service Commission. He assumed the duties of his office on June 11, 1917.

Mr. John J. Toomey was designated by the Mayor as chairman of the Board of Election Commissioners and member of the Listing Board.

EXPENSES OF THE DEPARTMENT.

The expenses of the Election Department for the year ending January 31, 1918, amounted to $169,566.75.

PROPERTY OF THE DEPARTMENT.

A schedule of the property of the department will be found on the last page of this report.

Respectfully,

JOHN J. TOOMEY,
MELANCTHON W. BURLEN,
FRANK SEIBERLICH,
EDWARD P. MURPHY,
Board of Election Commissioners.
